That is everyone in Aunt Badra's family. It is probably more than you need, but I have been meaning to make list for my geology project so this was good to jog my memory. If you need more information about Edmond's Aunt Talfa's (your grandfather's other sister) family you can e-mail him at [e\\_gbantous@hotmail.com](mailto:e_gbantous@hotmail.com). I know she had a daughter named Mentaha, whom I knew well when we visited Lebanon. Mentaha had five children. Aunt Talfa's family was large also.

:) :) :)
