Mr. Charles A. Saloom
7 Franklin Street
Conemaugh, Pa.

Dear Sir:

Your daughter, Mary Louise, is in a small group of our seventh grade, *which* is much advanced beyond the grade itself.

I find that her intelligence is high and that her general achievement is enough to warrant a possible double promotion. In this case I shall be glad to permit Mary Louise to take the County eight grade examination if she is willing to do a little outside study and if you will permit it.

I shall be glad to see you at your earliest convenience to discuss the matter with you. If you are hesitant to permit her to attempt to enter our ninth grade, I shall say nothing further and permit her to remain in our eight grade next year.

Very truly yours,

H. C. Tilley
